On Saturday, July 27, 2019 at 0739 hrs (7:39 a.m.) I, Officer Clarke was dispatched to the Walmart Supercenter located at 6811 Southcrest Parkway in regards to a disturbance with weapons. I arrived on scene and met the complainant, [REDACTED] who advised that one of his employees brandished a knife at another employee. [REDACTED] showed surveillance footage at approximately 0530 hrs (5:30 a.m.) two black males conversing with one another when one of the males lifts his shirt in what appears to be an attempt to show the other male an object that he had in his waist band. [REDACTED] advised that he got into an argument with Martez Abram over who moved the inventory they were placing on display when Abram lifted up his shirt and showed [REDACTED] a brown and green hunting knife in his waist band. [REDACTED] told me that Abram did not pull it out and make statements towards him that he was going to harm or use the knife on him. [REDACTED] stated that he does not wish to press charges at this time for simple assault - physical fear but would like a report to be completed. [REDACTED] was given the incident report number and voiced understanding how to use it for future reference.

End of report.
